

# Speechcraft Coordinator Quick Start Guide

How exciting-you are on your way to the Speechcraft digital experience! Follow the steps below to start your fantastic journey as a coordinator

1. Open your Speechcraft Order Confirmation email-this will be the email you receive after you placing your Speechcraft Digital Bundle order. Your order confirmation number-also referred to as the Digital Bundle Order Number will be included. If you no longer have your Order Confirmation email with the order confirmation number, it can be found in your Profile in your Order History tab. Please note: if you purchased more than one bundle in the order, your order confirmation number will be the same for all bundles.

2. Click on this link: [toastmasters.org/Speechcraft](https://toastmasters.org/Speechcraft) and bookmark it for future reference. This is your access to Speechcraft. Log in to the Speechcraft Gateway using your Toastmasters membership account information.

Verify your contact information and add a name for your Speechcraft. 5. When you are ready to access your coordinator materials, click on the “Go” button to log in to the Speechcraft Portal on Base Camp. A quick way to confirm that you are in Speechcraft is to look for the Toastmasters Speechcraft logo on the upper left. (If you see the Toastmasters Pathways logo, then you are not in Speechcraft. Go back and click on the URL in Step 2). Please note: The Speechcraft Portal is accessed on Base Camp, but it is not the same as the Pathways Portal on Base Camp. Both portals are separate spaces, and you will not be able to toggle between the two.
