Excellence—We consistently strive to meet or exceed expectations by upholding the Toastmaster's Promise, nurturing a collaborative environment, innovating to deliver creative solutions, and optimizing quality to produce superior service.

A Note of Gratitude

From Toastmasters International President Radhi Spear

It is my honor to be an ambassador of the Smedley Fund, which advances the vision of our founder, Ralph C. Smedley, to foster communication and leadership skills in a uniquely positive club environment. I am so grateful for the donations of all sizes we received last year, contributing to a milestone in the fund's history.

In 2024, we launched **the first purpose-driven campaign** that addressed requests for the Toastmasters Education Program to better meet the needs of current and prospective members. Through this effort, the Smedley Fund will support the education evolution currently underway; specifically, funds will be applied to the organization's research, development, and distribution of educational materials and programs that help advance global excellence in communication and leadership.

Acknowledging donors from different levels is a focus of this campaign, as is highlighting the opportunity for donors to give through their company's match program. As Smedley Fund supporters continue to help us move the needle closer to our program goal, I am delighted that more people worldwide will benefit from the Toastmasters experience I so treasure.

Radhi Spear, DTM
2024-2025 International President

Heartfelt Thanks

From Toastmasters Chief Executive Officer Dan Rex

I appreciate what we have accomplished in 2024 with the Smedley Fund. While the primary focus is on moving the Toastmasters Education Program forward for the benefit of all members, the Board of Directors also approved **disbursements for youth outreach and emergency relief efforts**, touching individual lives when they need it most.

Specifically, the Smedley Fund sprung to action in 2024 to cover the cost of materials and shipping to support Youth Leadership Programs in cooperation with government schools in Tamil Nadu, India; for students at a local government secondary school in Johor, Malaysia; and in cooperation with the local branch of Jack and Jill of America, Inc. in North Carolina, United States.

The Smedley Fund additionally covered membership dues to members affected by a flood in Nigeria (District 130), and covered membership dues to members affected by a typhoon, Tropical Storm Kristine in the Philippines (District 75).

On behalf of these very personal situations, along with the more universal ways in which the Smedley Fund makes a difference, I extend a heartfelt thank you to all supporters.

Daniel Rex
Chief Executive Officer
