District Club Growth Achievement

The **District Club Growth Achievement** celebrates Districts that reach key club charter milestones by September 30 and March 31. Clubs chartered earlier have additional time to establish successful practices, support members, and contribute to the District's overall achievement.

To qualify for the **September 30** achievement, Districts must charter 3 or 5 new clubs between July 1 and September 30.

To qualify for the **March 31** achievement, Districts must charter 3, 5, or 10 new clubs between October 1 and March 31.
