USS CORAL SEA, *Coral Sea*, No. 2291 (U) Sunday, 6:15 P.M., Aboard USS Coral Sea (CVA-43).

With this special edition of *The Toastmaster*, we present your Club Directory for 1957. Its purpose is to serve you.

Evidence of the rapid and steady growth of Toastmasters International is shown in the fact that there are over 300 new clubs since last year's Directory. Cuba, French Morocco, Spain, Italy, Thailand and Puerto Rico are countries which have established their first Toastmasters Clubs during 1956.

Because of this increase, your Directory begins to be outdated from the moment it hits the presses. New clubs are being chartered almost daily. Changes in time and place of meeting are made frequently.

For the date, time and place of meeting of new clubs, consult the "New Clubs" page which is carried in *The Toastmaster* each month. If specific information is desired which the Directory is unable to supply, write the Home Office at Santa Ana, California.

When your club makes a change in name, day, time or place of meeting, please notify the Home Office promptly, so that it may give correct information.

We send this to you in the hope that 1957 will prove a year of success and progress in your club and personal quest for development in the field of communication and leadership.

Sincerely,
THE EDITORS.
