DIRECTORY of Clubs

TOASTMASTERS INTERNATIONAL SANTA ANA, CALIFORNIA

PRINTED IN U. S. A.

TOASTMASTERS INTERNATIONAL is a non-profit educational organization of 2,930 active clubs, located in the United States, Australia, Canada, Canal Zone, Channel Islands, China, Cuba, England, Ethiopia, France, Germany, Greenland, Guam, Hawaii, Hong Kong, Iceland, Iran, Ireland, Italy, Japan, Morocco, Pakistan, Philippines, Puerto Rico, Scotland, South Africa, South Pacific Islands, Spain, Thailand, and Venezuela. Organized October 4, 1930. Incorporated December 19, 1932. First Toastmasters Club established October 22, 1924.

HOME OFFICE—Santa Ana Community Center, 1104 West Eighth Street. Opinions expressed in the articles in this magazine reflect the views of the writers and do not necessarily indicate the attitude of the organization, Toastmasters International. Published monthly at Santa Ana, California. Copyright © 1959 by Toastmasters International. The names "Toastmaster" and "Toastmasters International" are Registered Trade Marks of Toastmasters International, Inc. Entered as second-class matter October 25, 1941, at the Post Office, Santa Ana, California: act of March 3, 1879. All articles submitted, and the right to copyright same, shall belong to Toastmasters International unless the person submitting the article expressly reserves such rights in himself.

A new service is inaugurated in this 1959 edition of *The Toastmaster*, the Club Directory. Telephone numbers have been added to the customary club listings.

In past years, the effectiveness of the Club Directory has been impaired because many clubs found it necessary to change time or place of meeting after the directory had appeared. In some cases, changes were made while the issue was being printed, and the listing became out-dated before the directory could reach the members.

This year, in response to our appeal, many clubs have furnished a telephone number which may be called when exact information concerning the club is desired. It has been agreed that these listings will remain constant during 1959. In cases where two numbers are listed, the first one is for day and the second for evening or weekend use.

We hope the addition of these telephone numbers will increase the effectiveness of the Club Directory for all Toastmasters, prospective Toastmasters and interested friends.

May the year of 1959 be a rewarding one for you and your club.

Sincerely,

MAURICE FORLEY,
Executive Director,
Toastmasters International

TOASTMASTERS INTERNATIONAL IS:

. . . a nonprofit, nonpartisan, nonsectarian educational organization which has helped more than half a million men through its program of self-expression and self-improvement. There are now more than 2,900 clubs which are located in every state of the Union, every province of Canada and in 28 other countries.

A Toastmasters club is an organized group providing its members with opportunities to improve their abilities to speak in public, conduct meetings and develop their executive abilities. In congenial fellowship, ambitious men help each other through actual practice, mutual constructive criticism and the assumption of responsibilities within the organization.

Each club is a member of Toastmasters International. The club and its members receive services, supplies and continuing counsel from the Home Office.

"As a man speaks, so is he."—Publius Syrus, 43 B. C.
